

BLOQ CARPET TILES - SPECIFICATION TEXT

BLOQ
creative
carpet tiles

1. GENERAL INFORMATION

MANUFACTURER BLOQ creative carpet tiles
PRODUCT NAME Eternity

2. PRODUCT DESCRIPTION

The carpet tile is GUT certified and conforms to the EN 1307 classification. The carpet tile is suitable for intensive use (class 33) and is therefore suitable for wheelchairs and castor chair use.

The pile weight of the carpet tile is approximately 650 g/m², with a total thickness of approx. 6.2 mm. The carpet tile is stabilised by a bitumen backing (Bitback), consisting of modified bitumen with the addition of thermoplastic elastomers. The backing contains at least 70% recycled material and contributes to excellent acoustic performance.

The carpet tile also incorporates a glass fibre fleece, providing high dimensional stability ($\leq 0.2\%$).

The pile material consists of 100% polyamide 6 (solution dyed nylon), ensuring high colour fastness and resistance to light and water.

The carpet tile has a tufted patterned loop pile construction (1/10"), combining a weathered base with a refined transition-stripe pattern. This design enables subtle colour transitions and supports natural zoning within interior spaces.

The collection consists of 7 colours.

The production and finishing of this carpet tile takes place in the Netherlands by an ISO 9001 certified manufacturer.

3. TECHNICAL SPECIFICATIONS

TYPE OF MANUFACTURE	Tufted Patterned Loop Pile 1/10"
PILE FIBER COMPOSITION	100% Polyamide 6 Solution Dyed Nylon
BACKING	Bitback, Modified Bitumen 70% Recycled Content
DIMENSION	50 x 50 cm
PILE WEIGHT	650 g/m ²
TOTAL WEIGHT	4 000 g/m ²
TOTAL THICKNESS	6.2 mm
CLASSIFICATION	Class 33 – EN 1307
CASTOR CHAIR RATING	EN ISO 4918 I A: Intensive use
FIRE CLASSIFICATION	EN 13501-1 B _{fl} -s1
IMPACT SOUND INSULATION	EN ISO 10140-3 ΔL_w 22 dB
PERMANENT ANTISTATIC	ISO 6365 ≤ 2.0 kV
TRANSVERSAL RESISTANCE	ISO 10965 $\leq 1 \times 10^9$ Ohm
COLOUR FASTNESS TO LIGHT	EN ISO 105-B02 ≥ 7

4. CERTIFICATES

WARRANTY	15 years
GUT	The product fulfils the GUT criteria. The GUT licence number is: E4B2768C. Only textile floor coverings that have been tested by recognized European research institutes for harmful substances, emissions and odour formation are given a licence number.
